

Community Speedwatch Group

Making Redgrave Safer

A group of volunteers work together to try lower the speed limit of vehicles through the village – would you like to join us?

It involves 3 volunteers at any one time standing by the roadside and measuring the speed of vehicles coming through the village, with the aid of a camera. The figures recorded are sent to the police with anyone who has been speeding sent a letter. If anyone is caught twice, they receive a visit from the police. We stand for one hour at a time and we aim to do this once or twice a week at varying times of the day, depending on availability from the monthly rota.

High-viz jackets are worn, and we work under the auspices of the police. They support us in every way possible. Every volunteer is trained but it is very simple, and a comprehensive handbook must be read by each volunteer.

Occasionally the police join the group with their own camera.

If you would be interested in joining our group of volunteers, please contact Janet McGill for more information.
